

**Instructions for I-907, Request for
Premium Processing Service**

NOTE: You may file Form I-907 electronically. Go to our Internet Web site at www.uscis.gov and follow the detailed instructions on e-filing.

Instructions

Read these instructions carefully to properly complete this form. If you need more space to complete an answer, use a separate sheet of paper. Write your name and Alien Registration Number (A-Number), if any, at the top of each sheet of paper and indicate the section and number of the item to which the answer refers.

What Is the Purpose of This Form?

Use Form I-907 to request Premium Processing Service on certain petitions or applications designated as eligible for this service.

When Should I Use Form I-907?

You should use Form I-907 to request Premium Processing Service for certain petitions or applications designated as eligible for Premium Processing Service. Visit our Web site at www.uscis.gov for details about which petitions or applications are eligible for this service.

You may file your request for Premium Processing Service with the eligible petition or application. You may also file the request for Premium Processing Service after you file the eligible petition or application, as long as the eligible petition or application is still pending.

Only the petitioner or applicant who filed the corresponding petition or application (e.g. Form I-129), or the attorney or accredited representative of the petitioner or applicant, may request Premium Processing Service. If the attorney or accredited representative makes the request, a properly completed Form G-28, Notice of Entry of Appearance as Attorney or Representative, must accompany the request, unless the attorney or accredited representative has already filed Form G-28 in the case. Form G-28 filed with Form I-907 by a new attorney or accredited representative will replace Form G-28 filed with the underlying petition or application, and the new attorney will be recognized as the attorney of record in the case.

Premium Processing Service guarantees 15-calendar-day processing of certain employment-based petitions or applications. U.S. Citizenship and Immigration Services (USCIS) will refund the Premium Processing Service fee but continue to process the case unless, within 15 calendar days of receipt of a properly filed Form I-907, USCIS issues an

approval notice or, where appropriate, issues a notice of intent to deny a request for evidence, or opens an investigation for suspected fraud or misrepresentation on the related petition or application.

The processing time has been met if an intent to deny or request for evidence is issued within 15 calendar days of receipt or if the case is referred for investigation of suspected fraud or misrepresentation. Once USCIS receives a response to the notice of intent to deny or request for evidence, USCIS will guarantee 15-calendar-day processing from the date the response was received.

General Instructions**How Do I File Form I-907?**

You must fill out a separate Form I-907 for each petition or application submitted. Follow the steps below to complete your request process:

Step 1 - Fill Out Form I-907

Step 2 - Submit Your Request

NOTE: USCIS wants to make sure that you receive the requested immigration benefit. To do this, we may ask for more evidence, interview you, and/or conduct an investigation.

Step 1. Fill Out Form I-907

Use black ink only. Type or print clearly using **CAPITAL** letters. If an item does not apply to you, write "N/A." If the answer is none, write "NONE."

This form is divided into **Parts 1** through **4**. The following information will help you fill out the form.

Part 1 - Information About You

Company or Business Name - Give the full name of the company or business.

Part 2 - Information About Request

Provide the requested information about the related petition or application for which you are requesting Premium Processing Service. USCIS **must** have this information in order to match Form I-907 with the underlying form for which you are requesting Premium Processing Service. If you are **requesting an upgrade** of the pending underlying form to Premium Processing Service, you must complete all blocks (1 through 5) in Part 2 of Form I-907 or your Form I-907 will be **rejected** and the filing fee returned. If you are filing Form I-907 with the underlying form for which you are requesting Premium Processing Service, you must complete blocks 1, 3, 4, and 5 in Part 2 or your Form I-907 will be **rejected** and the fee returned. (You do not have to complete block 2 because, if you are filing Form I-907 together with the underlying form, you will not know the receipt number of the underlying form at the time you file.)

Part 3 - Original Signature

The petitioner, applicant, attorney, or accredited representative must sign and date the request. If Form I-907 does not contain an original signature (stamped signatures or photocopies are not acceptable), the request for Premium Processing Service (along with the \$1,225 Premium Processing Service fee) will be returned to the requester.

Part 4 - Original Signature of Attorney or Accredited Representative Who Submitted Form G-28

1. If Form G-28 is attached to this request, the attorney or accredited representative listed on Form G-28 must sign, date, and give his or her address and daytime phone number. (If the attorney or accredited representative has signed in Part 3 of this section, then only the firm name and address and daytime telephone number must be provided.)
2. If the preparer is a business or organization, its name must be included on the form.

Step 2. Submit Your Request

You must include the following items with your request:

1. **Your signed and completed Form I-907, along with the correct fee; and**
2. **Your signed and completed petition or application** - unless the petition or application was previously filed and is still pending. If this is the case, you must submit a copy of the filing receipt or a copy of the transfer notice, if applicable.

Where To File?

Submit the request. Form I-907 may be filed at the same time as the relating petition or application, or it may be filed at a later date. If you plan to file Form I-907 electronically, refer to the USCIS Web site at www.uscis.gov and click on "FORMS."

The filing location for Form I-907 depends on the filing location of the underlying petition or application for which you are requesting Premium Processing Service, as described later in these instructions.

If you have already filed the underlying form (i.e., Form I-129 or Form I-140) and wish to request Premium Processing Service, submit Form I-907 to the Service Center where the underlying form is pending. Include a copy of the filing receipt or a copy of the transfer notice, if applicable.

Service Processing Information

Our goal at USCIS is to process all petitions and applications fairly. The processing time will vary, depending on the specific circumstances of each case. We may reject an incomplete request. We may deny your request if you do not give us the requested information or do not go to a scheduled interview.

To request USCIS forms, call our toll-free forms line at **1-800-870-3676**. You may also get USCIS forms and information about immigration laws and regulations by calling our National Customer Service Center at **1-800-375-5283** or visiting the USCIS Internet Web site at **www.uscis.gov**.

If you change your address, you must complete Form AR-11, Alien's Change of Address Card, according to the instructions on the form.

What Is the Filing Fee?

The filing fee for Form I-907 is **\$1,225**.

The \$1,225 Premium Processing fee is **in addition to** all other applicable filing fees. The petitioner, attorney, or beneficiary may pay the \$1,225 fee, but the beneficiary cannot sign

Form I-907. You must pay for Premium Processing Service with a **separate check or money order**. (Example: One check or money order attached to the relating petition or application, and one check or money order attached to Form I-907).

Use the following guidelines when you prepare your check or money order:

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency. **Do not mail cash.**
2. Make the check or money order payable to the **U.S. Department of Homeland Security**. Spell out U.S. Department of Homeland Security. Do not use the initials "USDHS" or "DHS."

Your check or money order must be honored by the bank or financial institution. If it is not, we will charge you a fee for a returned/bounced check, and your request for Premium Processing Service will be terminated.

How to Check If the Fees Are Correct?

The form and biometric fees on this form are current as of the edition date appearing in the lower right corner of this page. However, because USCIS fees change periodically, you can verify if the fees are correct by following one of the steps below:

1. Visit our Web site at **www.uscis.gov**, select "FORMS," and check the appropriate fee;
2. Review the Fee Schedule included in your form package, if you called us to request the form; or
3. Telephone our National Customer Service Center at **1-800-375-5283** and ask for the fee information.

NOTE: If your Form I-907 requires payment of a biometric service fee for USCIS to take your fingerprints, photograph, or signature, you can use the same procedure to obtain the correct biometrics fee.
